

# Shepherds College

## LEGAL DESCRIPTIONS

**Shepherds Foundation, Inc. FEIN 20-1344722:** SF is a Wisconsin nonprofit, nonstock corporation founded in 2004, and the IRS has determined that it also is generally exempt from income tax under IRC 501(c)(3) as a public charity. The charitable purpose of SF is to exclusively benefit **Shepherds College**.

The corporation is a charitable, religious, and educational organization, the purposes of which are to solicit, hold, manage, invest, and expend endowment funds and other gifts, grants, and bequests, whether consisting of real or personal property and whether subject to directions or conditions imposed by donors. Exclusively for the maintenance and benefit of Shepherds Foundation, Inc. of Union Grove, Wisconsin, and such of its program, **Shepherds College**, as the Board of Directors of this corporation from time to time deem suitable and appropriate.

**Shepherds College** is the nation's leading, fully-accredited, non-degree granting, post-secondary educational program created with the learning needs of students with intellectual and developmental disabilities in mind. Shepherds College believes that when students learn in an environment designed specifically for them, they will thrive. The college offers three immersive occupational majors and equips students to reach Appropriate Independence™ through the development of vocational, social, and life skills. As a faith-based school, spiritual growth is encouraged through weekly chapel meetings, Bible studies, attendance at local churches, and student-led prayer groups. The school pursues excellence in all its operations, evidenced by its exceptional faculty and staff, the updated student housing facilities, customized curriculum, and its investment in impacting the disability community through strategic leadership training. Operations are funded primarily from payment for tuition fees with contributions from Shepherds Foundation.
